

Read the text about the impact television has on our lives. Some of the lines are correct. Some have a word that shouldn't be there. Write this word in the box next to the line. If the line is correct put a tick (✓) in the box. The first two lines have been done for you.

1	Television has a big impact on how we spend our spare	✓
2	time. It usually affects younger people more than does	does
3	adults because they tend spend more time in front of the	
4	TV set. While critics say that television is destroying family	
5	life because we lack the time for communicating with	
6	other than family members.	
7	Television often shows us a world that is not being real. It	
8	wants us to think that the world is more violent people	
9	than it actually is. TV gives us a glimpse into the world	
10	of glamorous people and celebrities and persuades for	
11	us to think that they are better off than we even are.	
12	However, there are many positive aspects to watching	
13	television. Such documentaries and infotainment programs	
14	give us a better understanding of our nature environment.	
15	It also has a huge impact on politics. In the election years	
16	parties often buy off television time to present the view of	
17	candidates and bring their ideas to show a wide audience.	
18	Sports attract the largest TV world audiences. Networks	
19	pay to enormous sums of money to broadcast events	
20	like the Super Bowl, the Olympic Games or the football	
21	World Cup. Many sports have been gained worldwide	
22	popularity because of television.
